As a dental hygienist I can't say enough great things about this office. Every staff member is helpful and Dr Reynolds is the bomb! Seriously, he's experienced, knowledgeable and takes the time to thoroughly answer all your questions. Today I met Nicole who was nothing less than outstanding. I thank you all for making this journey a pleasant one!

Reynolds has treated most of my family. The preliminary care, treatment and post treatment care have all been wonderful. The prices are competitive and staff is always friendly.
