SEASON OF GIVING:
REMEMBER BETTY

This month, Reynolds Ortho is proud to support the Remember Betty Foundation, a nonprofit dedicated to easing the financial burden for breast cancer patients and survivors so they can focus on healing and recovery.

Through direct financial support, Remember Betty helps cover costs like medical bills, treatments, and caregiving expenses, empowering survivors to thrive without financial stress.

At Reynolds Ortho, giving back is at the heart of what we do. From supporting our local schools to providing orthodontic scholarships and contributing to meaningful causes through our Season of Giving, we're proud to make a positive impact in our community.

Together, we're creating more than amazing smiles; we're building a stronger, more connected community.

>>> WHAT IS RETAINER GUARANTEE™?

Following treatment, we advise consistent wearing of retainers at night indefinitely. We are pleased to provide the RETAINER GUARANTEE™ program as an integral component of our Comprehensive, Personalized Treatment Plans, so you have peace of mind when you're stuck needing a last-minute replacement retainer. Past and new patients may all enroll in RETAINER GUARANTEE™: all you have to do is ask!

>>> PROTECT THE SMILE YOU'VE WORKED SO HARD TO GET!

Those who have retainers can attest that there are situations where the retainers may need to be replaced such as: accidental disposal, pet interference, misplacement, or regular wear and tear. At Reynolds Orthodontics, we present a 10-year program ensuring the longevity of both your retainers and your radiant smile!

With a single enrollment fee, you gain access to new retainers with a \$20 copay for each replacement.

NEW

I tell everyone this is the only place to go for orthodontic care! Reynolds Orthodontics goes above and beyond to make sure every patient feels comfortable and part of the family. The atmosphere is fun and relaxed — you don't even feel like you're at a dental office. The orthodontists, especially Dr. Jenn, are patient, attentive, and take the time to really listen to your concerns and answer every question thoroughly. The entire staff makes you feel special and cheers you on throughout your treatment process. On top of that, their policies and flexible payment plans are the best, and they won't stop working with you until you're completely happy with your results. Simply put, they are the best!

As both a dental professional and a patient at Reynolds Orthodontics, I can confidently say this is one of the best orthodontic practices around. From the moment you walk through the door, you're met with genuine care and kindness. The entire team is professional, friendly, and consistently puts patients first.

I want to especially recognize Dr. Andre, who went above and beyond throughout my treatment. I have severe dental anxiety, but Dr. Andre was incredibly patient, compassionate, and never gave up on me. His calm, reassuring approach made a world of difference. He truly exemplifies what exceptional patient care should look like.

Reynolds Orthodontics doesn't just create beautiful smiles — they set a new standard for what it means to care for patients. I highly recommend them to anyone seeking expert orthodontic treatment in a supportive and caring environment.
